Also I was asked by a woman on 7th street named Maral of Maral Designs at 331 W. 7th St. and she was asking about relocating to the Arcade Building and I said I would pass her info along. She is a solid merchant who has been around for years and would fit nicely with the other Arcade tenants. Even if there wasn't currently space available I think she would like to be notified if something comes available. Her phone number is 310-418-0109.

Maybe we could get the SPBID to trim that tree back a little so we could get full coverage is for the benefit of all the property owners and ourselves to have full access to cameras.
